As will be seen from paragraph 7 of Sir William Bisset's note received from the Residency (extract attached), the Railway Board have informally agreed to oblige the Durbar in this respect.

2. Residency letter No.2467 dated the 27th April 1912.

With reference to Mr. Visvesvaraya's letter No.725 dated the 25th June 1912, in which application is made for the loan of the services of Mr. D. G. Dani, Executive Engineer, North Western Railway, Ferozpur, I am directed to invite your attention to - paragraph 2 of Mr. Visvesvaraya's letter No.426, dated the 12th February 1912. In this letter it is stated that for the present, until all preliminaries are properly settled, only one officer is required and it was understood from a personal conversation which took place between yourself and the Resident, that the services of a second officer would not be required until the projects have been worked out and have received the necessary sanction of the Government of India. As Mr. Bell has only recently joined his appointment it is not quite clear for what purpose the services of Mr. Dani are now required, and I am to request further information on this point.

2. I am also to ask that the terms on which the Durbar are prepared to employ Mr. Dani should be stated more explicitly. The pay of Executive Engineers in British Service is now regulated by a time scale and not, as formerly, by grades. It is understood that Mr. Dani is approaching the completion of his 10th year of service and is actually drawing Rs.750/- a month, but will become eligible for a pay of Rs800 a month in or about October next.

I am directed to acknowledge the receipt of your enquiry, in your letter No.3775 dated the 2nd instant, regarding Mr.D.G.Dani, Executive Engineer, North Western State Railway, whose services have been applied for by the Durbar.

2. I am to state that, in order to carry out their Railway programme ideas in regard to which have been developing rapidly, the Durbar will require four or more Engineer officers. With the exception of Mr. Bell they have not got on their staff at present any other officer with practical experience in Railway construction and management.

3. Mr. Dani while in the State service will ~~be~~ receive an addition of 25 per cent to the salary he is entitled to in British service and he will draw travelling allowance under the Mysore Service Regulations as under:-
